

Treasurer's Report 2025/2026

This financial year has been relatively quiet.

Membership numbers have increased by one since the last AGM.

Membership stands at 314

Life Membership is 4

As at 30 June 2026 (being the end of our financial year), the accounts were:

Kiwibank Everyday account	\$ 6637.79
Kiwibank Reunion account	\$ 872.53
Term Deposit	\$ 12,000.00

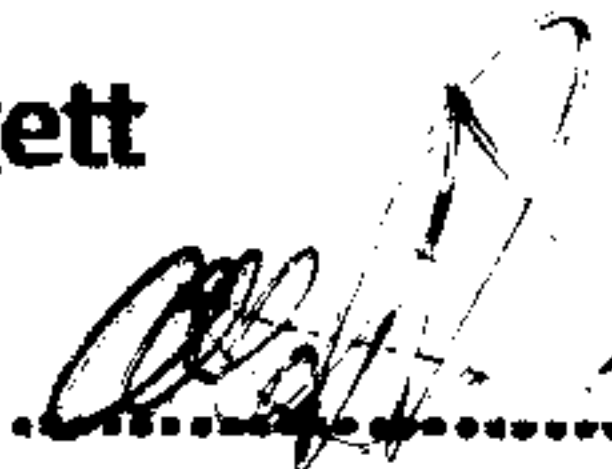

The Term Deposit is into its fourth year of a 5 year term running at 5.25% per annum which is a good rate at present. Interest from this Term Deposit is used for administration and running costs of the Association eg: Google – Xero accounting – Zoom and the website administration etc. We also cover the engraving for the COTY award.

Unfortunately this will be my last Treasurers report (due to family issues).

I hope next year's reunion in Rotorua is a success as I am not sure I will be able to attend.

Finally, I would like to thank Barry King for his continued support in reviewing the accounts for the AGM. I would also add that Barry keeps our Xero accounting system running which is greatly appreciated.
